THE MESSAGE MENU

Camelback Custom Massage

Individualize your service with your choice of oil blend from our desert blending bar. Perhaps the grounding “desert after the rain” scent of wild chaparral, or the uplifting bouquet of prickly pear to match your mood—and elegantly complement your soothing massage.

Deep Tissue Massage

Our arnica infused Turquoise Sage oil is the perfect accompaniment to a deep restorative massage. Arnica helps speed soft tissue repair, and reduces inflammation. Organic essences of sage and lavender tempt the tension from muscles and joints.

Juniper Cleanse Massage

Juniper and grapefruit are two of nature’s cleansing and detoxifying treasures. Blended here in an olive oil base, rich in phytosterols that help restore suppleness and flexibility, this massage helps stimulate lymphatic drainage and leaves skin beautifully conditioned.

THE MASSAGE MENU

True Essence Massage

Ever wondered if there is an aroma that perfectly matches your personality? Or what deeper meaning the scents you love might carry? Use our aromatherapy app and blending bar to decompress through scent, preparing you for the perfect massage in this moment. This blend can then be packaged to take home to share with your friends.

Himalayan Salt Stone Massage

Our salt stone massage gently unwinds and relaxes your body while providing the benefits of 84 trace elements and minerals. It is paired with oil infused aromatic essences of cedar, pine and fir to dissolve stress along with organic citrus fruits to boost your natural resistance.

THE BODY MENU

Desert Dreaming Ritual

Our luxurious desert journey focuses on your beauty and well-being from head to toe. Using your custom made body scrub and hydrating jojoba butter mask, we restore the vitality of your complexion. Steamy aromatic compresses, our signature jojoba hair and scalp treatment, and a prickly pear facial massage combine to offer the best of the desert's bounty.

Cleansing Clay Wrap

Using desert clays infused with purifying, organic juniper and grapefruit, this detoxifying wrap tones and re-tunes the body. A gentle dry-brush exfoliation, followed by a smooth clay application to draw impurities from the skin and refine its texture. Following a neck release and energy point facial treatment while in your clay wrap, a deeply hydrating jojoba lotion application breathes new life into your skin.

Prickly Pear Body Therapy

The oil of the prickly pear seed is rich in essential fatty acids necessary to protect and nourish your skin. This luxurious body treatment starts with a body scrub and moves to an aloe body wrap to soothe and hydrate. While wrapped, enjoy a naturally lifting facial massage, in anticipation of a jojoba butter massage to leave your whole body gently glowing.

Sonoran Scrub

Custom create your perfect body scrub at our desert scrub bar. Choose between re-mineralizing desert salts, agave infused sugar, and ultra-fine mesquite buffing grains. Add an infused desert botanical oil of your choice to complete your body makeover.

Citrus Splash Scrub

The Valley of the Sun is famed for its citrus harvest. The essences that come from these fragrant fruits are joyful and uplifting, and help tone and refresh the complexion. This treatment is pure pleasure, featuring a lemon body scrub, sweet orange essence body soufflé, and a rosemary lime scalp massage to put a skip in your step.
